

**Dr. Jimmy Scott** is a pioneering natural healing consultant and scientist (his Ph.D. is in Physiological Psychology). He is well known world-wide for his development of Health Kinesiology™ and his authoritative and in-depth bioenergetic work in self-care, diet & nutrition, various environmental factors such as geobiology, and other health-related topics.

### Emergency Card Included

Actually four of them, so you can give them to family members or friends. The wallet sized *Emergency Card* reminds you which reflex points to Tap when you need to turn off an allergic reaction NOW. Allergy Tap™ results are usually almost immediate—you have no need to suffer.

*"Nothing else helped, but my daughter is finally well."* N.L., Australia

*"This technique has changed how I practice medicine."* A.K., Germany

*"I have used these (allergy and tolerance) tapping methods with a number of people. Their most common response is, 'It's a miracle!'"*

D.R. Ph.D., Canada

***Cure Your Own Allergies in Minutes, Second Edition***, describes a powerful and unequaled self-help method that uses your body's own energy to rid yourself of allergies and increase your tolerance to environmental substances such as foods, pollens, molds, chemicals, animals, dust, and many other things. The First Edition of *Cure Your Own Allergies in Minutes* was a best seller, in several languages. Many thousands of people around the world have successfully used the procedures as described and have found that "This method really works!" Not only that, but you can even adapt the Allergy Tap™ method to use with your pets. This method can truly enhance your life, everyday!

### Extensive listing of Food Families

Over 900 foods are listed, along with their Latin Names, so you can discover which foods are related to those you have tested. You are more likely to react to related foods.

### Another Bonus

*Candida Albicans* and many other Test Kits are now available. See enclosed page for details.

### DVD Included

This DVD *shows* you how to do every step described in the book. In addition, as a *Special Bonus*, the DVD shows you how you can *test yourself* for Allergies! This information is *not* described in the book.

The professionally recorded DVD was Produced by Two-Time **Emmy Award Winning** filmmaker, the internationally acclaimed **Ann Petrie**.

*"I didn't believe it until I tried it. Even though I now know it works, I still can't believe it!"* C.C., Switzerland

*"It really works. I use it all the time."* C.P., California
